2010 SAGE MAS 90/SAGE MAS 200

USER CONFERENCE

OCTOBER 21, 2010

UNIVERSITY CENTER @ UNF

Ennis, Pellum & Associates wants to extend an invitation to you to attend our special business building conference for users of Sage MAS 90 and Sage MAS 200. The race is on to put you and your system into the winners circle.

-  Learn how to maximize the value of your Sage Software by becoming a more skilled user.
-  Exchange ideas and outcomes with other Sage Software users who share similar job roles, industries, business challenges, and technologies.
-  View recent and planned product enhancements and learn how they can benefit your business.
-  Learn about solutions and services that complement or work together with your current Sage Software installation.
